FDOH – NASSAU IN NEED OF PARTICIPATION FROM PAST OR PRESENT CAREGIVERS OF PERSONS WITH DEMENTIA

Contact:

Emily Cason
Emily.Cason@flhealth.gov
904-557-9173

Fernandina Beach, FL – The Florida Department of Health in Nassau County (FDOH – Nassau) is searching for past or present caregivers to complete the Healthy Brain Initiative (HBI) Road Map Needs Assessment Survey. The feedback will be used to identify resources and services that are needed within Nassau County for people with Alzheimer's or related dementia and their caregivers.

The Healthy Brain Initiative will be important to Nassau County to lessen the future impacts of dementia by:

- Providing support for caregivers
- Advancing early detection
- Use of evidence to inform policies, programs, and practices
- Providing education and training to those who work in the public health and healthcare field as the population of people living with Alzheimer's and related dementia grows

The survey is anonymous, unless the participant chooses to provide contact information. It takes an average of 8-10 minutes to complete.

To participate please visit <https://forms.office.com/g/SxrMGCQWcn> or scan the QR code below with your phone camera:

The completed surveys must be returned by **midnight December 28th, 2021**.

Opportunities also exist to join a group that will serve on an advisory capacity. For more information or to volunteer to participate, please contact Barb Baptista at Barbara.Baptista@flhealth.gov.

Community Partners:

Working together, we can make Nassau County a Dementia Friendly Community. If you or your organization may be interested in becoming a community partners for the HBI, please contact:

Barb Baptista

Office: 904-557-9168 | Work Cell: 904-753-1258

Email: Barbara.Baptista@flhealth.gov

If you have any questions or would like to discuss the HBI further, please contact Barb Baptista.
