**Day two will be as needed. If session concludes on February 29, 2024, there will not be a session on March 1, 2024. If more than two days is needed, the Chairman can call another workshop.

The Board of County Commissioner's 2024 Strategic Planning Session is being held as a WORKSHOP. The Strategic Planning Session is an opportunity for the BOCC to discuss items in a collegial and less formal environment. The BOCC will work by consensus and direct staff to bring back decision items for BOCC consideration at future public meetings. The public will have an opportunity to address the BOCC at the strategic planning session and at future public meetings.
