

Daymon Well Drilling & Pump Services LLC Road Closure

Daymon Well Drilling and Pump Services LLC will be closing Lee Street at the corner of Lee Street Fernandina Beach, FL. 32034 for the construction of a new well on a homeowner's property. Detour signs with directional arrows will be in place for you to follow the detour route around the time of the closure. Any residents who live within the closure will be allowed in to get to their homes or properties. Closure will take place in August 22 through 24, 2022. Please contact Chris Heffner at 904-545-7687 from Daymon Well Drilling and Pump Services LLC with any questions regarding the closure or traffic control set up.

Thank You
