

NASSAU COUNTY CONSTRUCTION REPORT

May 16, 2016

Eastbound lane closures scheduled Saturday on A1A

Eastbound traffic on A1A between Mt. Zion Loop and Chester Road will face daytime face lane closures Saturday, May 21, to place a low-profile barrier wall

On Phase Two, the contractor is clearing land and removing vegetation at a number of pond sites on the project.

Work is also continuing on the installation of water and force main lines.

PORT TRAFFIC — Trucks coming to and from the Port of Fernandina comprise an estimated 10 percent of the traffic on A1A in Nassau County.

Interstate 95

Also in Nassau County, motorists traveling on Interstate 95 over the St. Mary's River will face daytime lane closures from 9:30 a.m. to 3:30 p.m. May 16-20 for routine bridge maintenance and inspection operations.

Callahan

In Callahan, motorists traveling on U.S. 1 from Fifth Avenue to North Brandies Avenue will face lane closures from 8:30 to 5:30 p.m. May 16-20 for sidewalk construction.

Phase Two Project team
