

# **TEMPORARY ROAD CLOSURE N. HARTS ROAD**

JEA Project Name: William Burgess Blvd. Force & Reclaim Water Main Installation

Contractor: T.G. Utility Company, Inc.

Scope of Construction: Construction and installation of new Force, Reclaim & Water Main along William Burgess Blvd from SR 200 to Harts Road in Nassau County. The reclaim water main is to provide future reclaim water to the new development North of SR 200. The sewer force main will provide additional conveyance capacity and reliability for anticipated growth.

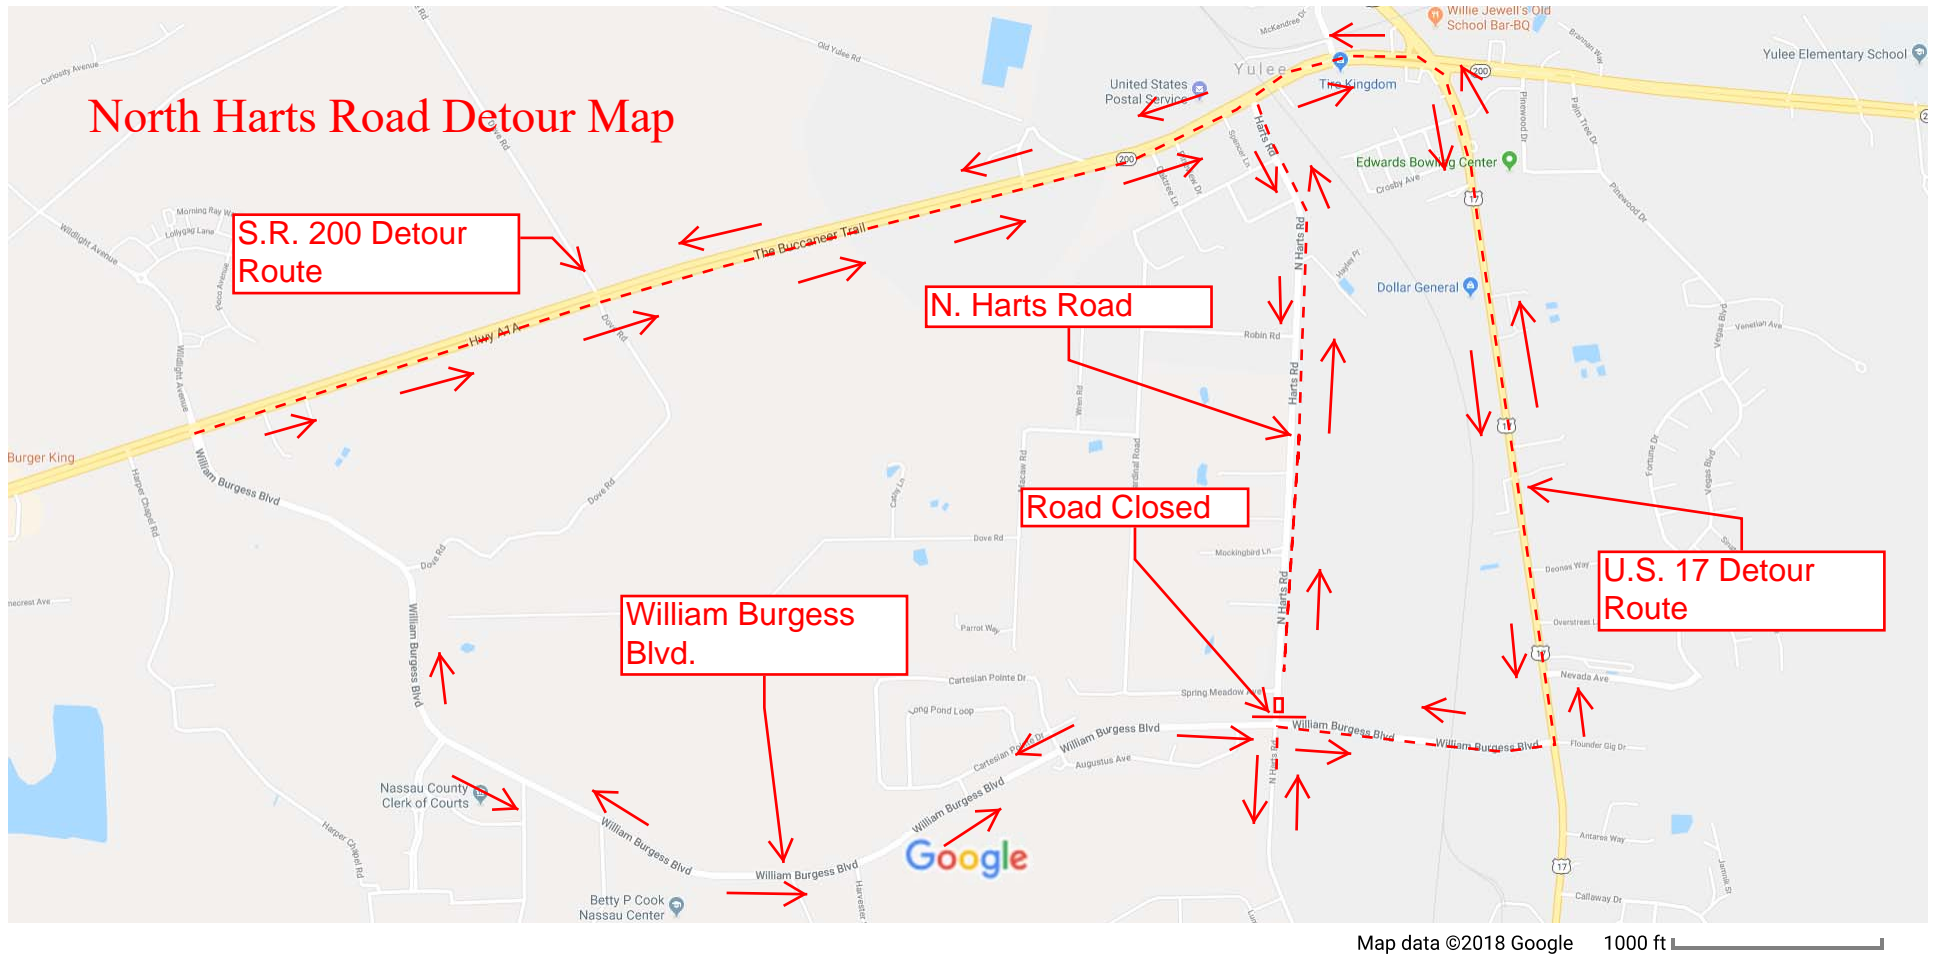

Scope of Detour: Closure of North Harts Road at intersection of William Burgess Blvd. Detour required for excavation, installation and backfill of approximately 40' wide section of North Harts Road beginning at the intersection of William Burgess for new Utility Mains.

Affected Roadways: North Harts Rd, William Burgess Blvd, SR 200 & US 17

Official Detour Routes: Eastbound and Westbound traffic on William Burgess Blvd. will detour to S.R. 200 or U.S. 17. Southbound Motorists traveling From SR 200 along North Harts Road are advised to take an alternative route that includes using U.S. 17.

Duration of Closure: From 7:00 AM, December 5, 2018 to 5:00 PM, December 14, 2018.

Worksite Traffic Supervisor's: Scott Henderson, (904) 228-3678

..... Dashed Lines indicate detour routes from U.S. 17 & S.R. 200 to gain access to North Harts Road beyond Road Closure
